P E R S O N A L S T Y L I S T

I'm a stay at home mum with three kids aged 9, 5 and 11 months and it's fair to say I'd got into a real rut with clothes, lots of similar things, nothing really fitting properly, no style and nothing really in my wardrobe, (although I have 2 large fitted wardrobes, crammed with clothes). Gilly cleared out 6 bin bags during the Wardrobe Audit which was really cathartic. Her approach is very no nonsense and practical, but very much fun, we laughed a lot (baby stains especially).

I've always hated clothes shopping and found the shopping day quite overwhelming but in a good way. I tried on clothes that I thought were too young for me and we tried more fashionable things that I would never have looked at by myself which really helped my confidence. Gilly encouraged me to be a little more daring, she really knows how to make you feel special.

The clothes I purchased at Trafford Centre were practical/stylish and more importantly I learnt a lot about myself too. Gilly is very knowledgeable and made the whole shopping day amazing, I have gained a new friend too.

I now stand in front of the wardrobe every morning saying 'if it doesn't look good then don't wear it' and getting dressed in the morning is a far more positive experience than it ever used to be. Actually I secretly look forward to seeing what to wear and admiring my new wardrobe and the new me.

Thank-you Gilly we'll need to do it again for Autumn/Winter! When do I book????
